- B. The Board should evaluate the request as it relates to the criteria necessary for granting a Conditional Use Permit as stated in Sections 262, and 933 of the Boone County Zoning Regulations.
1. Findings listed in Section 262 (Findings for all Conditional Uses):

- c. Will not be hazardous to existing or future neighboring uses;
  - d. Will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer, and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately such services;
  - e. Will not create excessive additional requirements at public cost for public facilities and services and will not be detrimental to the economic welfare of the community;
  - f. Will not involve uses, activities, process, materials, equipment and conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, dust, fumes, glare, or odors;

  - b. The activity will not contradict the low density character of the district; and
  - c. The arrangement of uses, buildings, or structures will be compatible with the organization of permitted and accessory uses to be protected in the district.
- C. Section 930 of the Boone County Zoning Regulations states that "The purpose of the Suburban Residential One district is to provide a low density, residential environment whose dwelling types and densities are typical of a suburban character. It is also to provide limited or passive and active recreational uses that are appropriate to the permitted uses in the district. Suburban Residential One districts will be located on lands within established urban areas where adequate infrastructure facilities and services are available or proposed."
- D. Section 933.7 of the Boone County Zoning Regulations identifies 'short term rentals' as a Conditional Use within the Suburban Residential One (SR-1) district.
- E. Section 1511 of the Boone County Zoning Regulations states that the uses listed as principally permitted, accessory, or conditional uses in the underlying zone are allowed

### PROPOSED DEVELOPMENT

A. The applicant is proposing to use the four (4) bedroom dwelling as a short term rental.

### STAFF COMMENTS

A. The site is located approximately .8 miles from Pleasant Valley Road and approximately 2.2 miles from Burlington Pike.

B. From either Pleasant Valley Road or Burlington Pike, it will take two turning movements to get to the site.

C. The following provides an evaluation of the supplemental regulations/standards for 'Short Term Rentals' (Section 3191):

1. Except as provided for in Article 34, there shall be no external on-site or off-site advertising signs or displays indicating the property is a short term rental.

Insufficient information has been submitted to determine compliance with this requirement.

2. Short term rentals shall not be allowed in any area not considered a primary dwelling (i.e., recreational vehicles, tents, garages, boats, etc.).

The proposed short term rental is proposed to be within a detached single-family residential dwelling, meeting this requirement.

3. There shall be no more than two (2) adult guests per bedroom, plus no more than two (2) additional guests, except for the following:

a. There shall be a maximum occupancy of ten (10) persons, adult and children.

b. Bedrooms under one hundred twenty (120) square feet shall be limited to only one (1) adult occupant.

The submitted plan indicates that the existing dwelling contains four bedrooms. However, only one of the bedrooms is greater than 120 square feet in area. Therefore, the maximum occupancy cannot exceed seven (7) guests.

4. In addition to the required parking for the residence, a minimum of one parking space shall be provided per guest room or suite. All parking for a short term rental, whether required by these regulations or in excess of these regulations, shall be provided off-street.

The submitted plan indicates that there are six (6) off-street parking spaces on the site (two in the garage and four on the driveway, meeting this requirement.

5. Any advertisement of the property as a short term rental and all rental contracts must contain language that specifies the allowed maximum number of occupants and maximum number of vehicles.

Insufficient information has been submitted to determine compliance with this requirement.

6. The property on which the short term rental is to be located shall not be located closer than one thousand (1,000) feet, measured in a straight line from the nearest property line to the nearest property line of any other approved short term rental. Such permits shall be given on a first come, first serve basis.

The closest approved short term rental property is approximately 19,000 feet from the site in question, meeting this requirement.

The closest proposed short term rental property is approximately 12,600 feet from the site in question.

7. When located in a residential district, a short term rental shall use the existing, main building entrance for access and the construction of additional exterior ingress/egress doorways shall be prohibited. Access to individual guest rooms or suites shall be from the interior of the structure.

Insufficient information has been submitted to determine compliance with this requirement.

8. It shall be unlawful:
  - a. To operate, or to allow to be operated, a short term rental without first obtaining a Permit for the property in which the rental is to occur with the Boone County Fiscal Court.

The applicant has applied for a permit with the County, meeting this requirement.

- b. To advertise or offer a short term rental without first registering the property in which the rental is to occur with the Boone County Fiscal Court. Documented advertisement of the subject property as a short term rental, online or offline, shall be considered evidence of a violation of this regulation.

The applicant has applied for a permit with the County, meeting this requirement.

- c. To operate a short term rental that does not comply with all applicable city, county, and state laws and codes.
- d. To operate a short term rental without paying the required hotel occupancy taxes.
- e. To fail to include a written prohibition against the use of a short term rental for having a party in every advertisement, listing, or other publication offering the premises for rent.

Insufficient information has been submitted to determine compliance with this requirement.

- f. Permit the use of the short term rental for any illegal purpose or any use not permitted by the residential zoning regulations.

D. An inter-departmental email was sent to the City of Florence Fire Department Boone requesting comments pertaining to the request.

- 1. No comments were received.

E. Should the Board take action to approve the submitted request, the following conditions should be considered as part of that action:

- 1. There shall be no external on-site or off-site advertising signs or displays indicating the property is a short term rental.
- 2. Any advertisement of the property as a short term rental and all rental contracts must contain language that specifies that the maximum occupancy shall not exceed seven (7) guests and the maximum number of vehicles shall not exceed four (4).
- 3. Any advertisement of the property as a short term rental and all rental contracts must contain language that specifies that on-street parking shall be prohibited.
- 4. Construction of additional exterior ingress/egress doorways shall be prohibited and access to individual guest rooms or suites shall be from the interior of the structure.
- 5. A written prohibition against the use of a short term rental for having a party must be provided in every advertisement, listing, or other publication offering the premises for rent.

6. A Zoning Permit shall be submitted to, and approved by, the Boone County Planning Commission prior to any use of the property as a short term rental.

CONCLUSION

- A. KRS 100.237 and Section 220 of the Boone County Zoning Regulations give the Boone County Board of Adjustment and Zoning Appeals the authority to act on the Conditional Use Permit request.

Respectfully Submitted,

**WHEREAS**, the Boone County Planning Commission staff conducted a study of the issue and presented their findings to the Boone County Planning Commission; and

**WHEREAS**, The Boone County Planning Commission approved a series of text amendments to Articles 6, 7, 8, 9, 16, 20, 23, 25, 31, and 40 of the Boone County Zoning Regulations to: (1) define "short term rental"; (2) allow "short term rentals" in agriculture, recreation, conservation, residential, Employment Planned Development/Residential Planned Development (EPD/RPD), Union Commercial (UC) and Small Community Overlay (SC) zones; and (3) add supplementary performance standards for "short term rentals; and

**WHEREAS**, the regulations contained in this Ordinance will be implemented in conjunction with the text amendments to the Boone County Zoning Regulations adopted in Ordinance 2021-29, which will be enacted concurrently with this Ordinance; and
