Will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer, and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately such services;

C. Section 930 of the Boone County Zoning Regulations states that “The purpose of the Suburban Residential One district is to provide a low density, residential environment whose dwelling types and densities are typical of a suburban character. It is also to provide limited or passive and active recreational uses that are appropriate to the permitted uses in the district. Suburban Residential One districts will be located on lands within established urban areas where adequate infrastructure facilities and services are available or proposed.”

D. Section 933.7 of the Boone County Zoning Regulations identifies ‘short term rentals’ as a Conditional Use within the Suburban Residential One (SR-1) district.

Documented advertisement of the subject property as a short term rental, online or offline, shall be considered evidence of a violation of this regulation.
 3. To operate a short term rental that does not comply with all applicable city, county, and state laws and codes.
 4. To operate a short term rental without paying the required hotel occupancy taxes.
 5. To fail to include a written prohibition against the use of a short term rental for having a party in every advertisement, listing, or other publication offering the premises for rent.
 6. Permit the use of the short term rental for any illegal purpose or any use not permitted by the residential zoning regulations.
- I. Depending on the scope of improvements, a Zoning Permit or Tenant Finish Permit per Article 4, or a Minor Site Plan or Major Site Plan per Article 30, shall be submitted to and approved by the Planning Commission prior to constructing any improvements and operating a short term rental.

SURROUNDING LAND USES AND ZONING

- North: Detached single family residential dwellings (SR-1)
- South: Detached single family residential dwellings (SR-1)
- East: Detached single family residential dwellings (SR-1)
- West: Detached single family residential dwellings (SR-1)

PROPOSED DEVELOPMENT

- A. The applicant is proposing to use the three (3) bedroom dwelling as a short term rental.

STAFF ISSUES

- A. The site is located approximately 1.2 miles from Bullittsville Road and approximately 570 feet from Idlewild Road.
- B. From Bullittsville Road, it will take three turning movements to get to the site.
- C. The following provides an evaluation of the supplemental regulations/standards for 'Short Term Rentals' (Section 3191):

- 1. Except as provided for in Article 34, there shall be no external on-site or off-site advertising signs or displays indicating the property is a short term rental.

The applicant has provided documentation stating that there will be no on-site or off-site advertising.

- 2. Short term rentals shall not be allowed in any area not considered a primary dwelling (i.e., recreational vehicles, tents, garages, boats, etc.).

The applicant has provided documentation stating that the short term rental will be used strictly for the primary dwelling.

- 3. There shall be no more than two (2) adult guests per bedroom, plus no more than two (2) additional guests, except for the following:

- a. There shall be a maximum occupancy of ten (10) persons, adult and children.
- b. Bedrooms under one hundred twenty (120) square feet shall be limited to only one (1) adult occupant.

The applicant has provided documentation showing that the existing house has three (3) bedrooms, all of which are a minimum of 120 square feet in size. Based on the above calculations, the maximum occupancy for the site can be no

more than eight (8) guests (2 per bedroom plus 2 additional).

4. In addition to the required parking for the residence, a minimum of one parking space shall be provided per guest room or suite. All parking for a short term rental, whether required by these regulations or in excess of these regulations, shall be provided off-street.

The applicant has provided documentation stating that all parking will be on the premises and that such restriction will be stated in the brochure or House Manual.

The submitted plan shows that the existing driveway is forty (40) feet in length. However, only thirty (30) feet is located on the site. The other ten (10) feet is located within the right-of-way of Avalon Drive. Therefore, the site can accommodate four (4) parked vehicles. Based on the above calculation, only two (2) of the bedrooms can be rented at any given time. To allow the rental of the third bedroom, an additional parking space must be provided on the site

5. Any advertisement of the property as a short term rental and all rental contracts must contain language that specifies the allowed maximum number of occupants and maximum number of vehicles.

The applicant has provided documentation stating that the short term listing will clearly state that the property can accommodate no more than ten (10) guests and that there will be four (4) parking spaces.

6. The property on which the short term rental is to be located shall not be located closer than one thousand (1,000) feet, measured in a straight line from the nearest property line to the nearest property line of any other approved short term rental. Such permits shall be given on a first come, first serve basis.

The closest approved short term rental is approximately 9,400 feet from the site in question, meeting this requirement.

7. When located in a residential district, a short term rental shall use the existing, main building entrance for access and the construction of additional exterior ingress/egress doorways shall be prohibited. Access to individual guest rooms or suites shall be from the interior of the structure.

The applicant has provided documentation stating that this requirement will be met.

8. It shall be unlawful:
 - a. To operate, or to allow to be operated, a short term rental without first obtaining a Permit for the property in which the rental is to occur with the Boone County Fiscal Court.

The applicant has applied for a permit with the County, meeting this requirement.

- b. To advertise or offer a short term rental without first registering the property in which the rental is to occur with the Boone County Fiscal Court. Documented advertisement of the subject property as a short term rental, online or offline, shall be considered evidence of a violation of this regulation.

The applicant has applied for a permit with the County, meeting this requirement.

- c. To operate a short term rental that does not comply with all applicable city, county, and state laws and codes.
- d. To operate a short term rental without paying the required hotel occupancy taxes.
- e. To fail to include a written prohibition against the use of a short term rental for having a party in every advertisement, listing, or other publication offering the premises for rent.
- f. Permit the use of the short term rental for any illegal purpose or any use not permitted by the residential zoning regulations.

The applicant has provided documentation stating that this requirement will be met.

STAFF COMMENTS

- A. Should the Board take action to deny the request, Staff is suggesting the following findings, in addition to any testimony and issue(s) presented at the public hearing:

1. The proposed short term rental is not harmonious and in accord with the Comprehensive Plan.
2. The proposed short term rental does not meet all of the requirements of the zoning regulations and any improvements to the property that will bring the site into compliance with the zoning regulations will not be in character with the surrounding area.

To bring the property into compliance with the parking requirements, an additional parking space will have to be added to the existing driveway. Based on information contained in the Boone County GIS, there are 209 residential lots within the Hidden Creek II Subdivision. Only eight (8) of those lots have extended driveway, comprising 3.8% of the lots within the subdivision.

3. The proposed short term rental will be hazardous to existing and future uses

within the vicinity of the site.

4. Due to the location of the site, and its proximity to the collector and arterial street system of the current roadway network, the proposed short term rental at this location is not adequately served by essential public facilities.
5. Based on the off-street parking requirement, only two of the three existing bedrooms can be simultaneously occupied for a short term rental. This will be very difficult to administer and enforce, creating excessive additional requirements at public cost.

B. Should the Board take action to approve the submitted request, Staff is suggesting the following findings, in addition to any testimony and issue(s) presented at the public hearing:

1. The proposed short term rental will be harmonious and in accord with the Comprehensive Plan.
2. The proposed short term rental meets, or can meet, all of the requirements of the zoning regulations.
3. Any improvements to the property will be in character with the surrounding area.
4. The proposed short term rental will not be hazardous to existing or future neighboring uses.
5. The proposed short term rental is adequately served by essential public facilities.
6. The administration and enforcement of the proposed short term rental will not create excessive additional requirements at public cost.
7. The proposed short term rental will not be disruptive the properties in the vicinity of the site.

C. Should the Board take action to approve the submitted request, Staff is suggesting the following conditions to be considered as part of that action:

1. There shall be no more than eight (8) guests at any given time.
2. A hard surface parking pad, at least nine (9) feet in width and eighteen (18) feet in length, shall be provided along the existing driveway, without widening the existing curb cut.
3. Any advertisement of the property as a short term rental and all rental contracts must contain language that specifies the maximum number guests shall not exceed (8) and the maximum number of vehicles shall not exceed three (3).
4. A Zoning Permit shall be submitted to, and approved by, the Boone County

Planning Commission prior to any use of the property as a short term rental.

CONCLUSION

- A. KRS 100.237 and Section 220 of the Boone County Zoning Regulations give the Boone County Board of Adjustment and Zoning Appeals the authority to act on the Conditional Use Permit request.

Respectfully Submitted,

Michael D. Schwartz
Director, Zoning Services
