ZONING: Rural Suburban Estates (RSE)

DATE: April 12, 2023

### PROPOSAL

- A. The applicant is requesting a Conditional Use Permit to allow the existing single-family residential dwelling to be used as a Short Term Rental.

### SITE HISTORY

- 1980 On November 5, 1980, the Boone County Planning Commission approved a Final Plat for Rabbit Hash Estates, Section II, creating the lot in question.
- 1999 On July 30, 1999, the Boone County Planning Commission staff approved a zoning permit to allow the construction of a detached single-family residential dwelling on the site.

### APPLICABLE REGULATIONS

- A. Section 202.C of the Boone County Zoning Regulations states that one of the duties of the Board of Adjustment is to grant conditional uses permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only if specific locations in the district and only if certain conditions are met.
- B. The Board should evaluate the request as it relates to the criteria necessary for granting a Conditional Use Permit as stated in Section 205.H of the Boone County Zoning Regulations.
1. Findings listed in Section 205.H (Findings for all Conditional Uses):
    - a. Will be harmonious with and in accordance with the general objectives, or with any specific objective of the County's comprehensive plan, a specific corridor plan and/or the zoning order.
    - b. Will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and shall not change the essential character of the same area.
    - c. Will be hazardous to existing or future neighboring uses.
    - d. Will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer, and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately any such services.

- e. Will create excessive additional requirements at public cost for public facilities and services and will be detrimental to the economic welfare of the community.
  - f. Will involve uses, activities, process, materials, equipment and conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, dust, fumes, glare or odors.
  - g. Will have vehicular approaches to the property which shall be so designed as not to create an interference with traffic on surrounding public thoroughfares.
- C. Section 505.2 of the Boone County Zoning Regulations identifies 'Short Term Rental' as Conditional Uses within the RSE district.
- D. Section 901. A of the Boone County Zoning Regulations states that "Rural Suburban Estates should be located where there may be a limited feasibility, desire, or need for providing or requiring all infrastructure normal to support a suburban or urban neighborhood. The purpose of the Rural Suburban Estates district is to provide a residential environment whose dwelling types and densities are typical of a semi-suburban character. Such districts will be located on lands adjacent to established urban areas, but which are not suitable for larger scale or more densely developed suburban or urban residential use."
- E. Section 4000 of the Boone County Zoning Regulations defines 'Short Term Rental' as follows:
- The rental of a residential dwelling unit, or a portion thereof, for a period of less than thirty (30) days. This term does not include:

  - c. All parking for a short term rental, whether required by these regulations or in excess of these regulations, shall be provided off-street.
