## STAFF REPORT

APPLICANT: Skyler Barry

LOCATION: 13 Lakeshore Drive, Florence, Kentucky

ZONING: Suburban Residential One (SR-1)

DATE: May 10, 2023

### PROPOSAL

The applicant is requesting a Conditional Use Permit to allow 13 Lakeshore Drive to be used as a short-term rental household.

### PERTINENT HISTORY

In December 2020, the City of Florence approved two Ordinances pertaining to Short Term Rentals. The first Ordinance, O-19-20, approved and adopted text amendments to the Boone County Zoning Regulations pertaining to the short-term rental of property. This Ordinance permitted the short-term rental of property as a Conditional Use in the following zoning districts:

- Rural Suburban (RS)
- Suburban Residential One (SR-1)
- Suburban Residential Two (SR-2)
- Suburban Residential Three (SR-3)
- Urban Residential One (UR-1)
- Urban Residential Two (UR-2)
- Urban Residential Three (UR-3)
- Residential One Family (R-1F)

The second Ordinance, O-20-20, established regulations for short term rentals. Section III of the Ordinance outlines the city's registration and permitting requirements. The applicant is required to submit a registration and permit with the City of Florence prior to submitting a Conditional Use Permit application. The City of Florence acts on their application once the Board of Adjustment acts on the Conditional Use Permit application.

### APPLICABLE REGULATIONS

Section 505.2 and Table 5-3 of the Boone County Zoning Regulations identifies short term rentals as a conditional use within the SR-1 district in the City of Florence.

Section 202 of the Boone County Zoning Regulations states that one of the duties of the Board of Adjustment is to grant conditional uses permits as specified by the zoning order, with such additional safeguards as will uphold the intent of the zoning order.

The Board should evaluate this request as it relates to the criteria necessary for granting a Conditional Use Permit as stated in Sections 205 and 903.2 of the Boone County Zoning Regulations.

Findings listed in Section 205 (Findings for all Conditional Uses):

- A. Will be harmonious with and in accordance with the general objectives, or with any specific objective of the County's Comprehensive Plan, a specific corridor plan and/or the zoning order;
- B. Will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and shall not change the essential character of the same area;
- C. Will not be hazardous to existing or future neighboring uses;
- D. Will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer, and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately such services;
- E. Will not create excessive additional requirements at public cost for public facilities and services and will not be detrimental to the economic welfare of the community;
- F. Will not involve uses, activities, process, materials, equipment and conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, dust, fumes, glare, or odors;
- G. Will have vehicular approaches to the property which shall be so designated as not to create an interference with traffic on surrounding public thoroughfares.

Criteria listed in Section 903.2 of the Boone County Zoning Regulations (SR-1 District):

- A. The activity is an integral and subordinate function of a permitted use;
- B. The activity will not contradict the low density character of the district; and
- C. The arrangement of uses, buildings, or structures will be compatible with the organization of permitted and accessory uses to be protected in the district.

Section 3191 of the Boone County Zoning Regulations contains the following standards for short term rentals. The standards are listed below and the applicants provided a response to each standard.

- A. Except as provided for in ARTICLE 34, there shall be no external on-site or off-site advertising signs or displays indicating the property is a short term rental.

Applicant's Response – There will not be any external on-site or on-site advertising displays indicating the property is a short-term rental.

- B. Short term rentals shall not be allowed in any area not considered a primary dwelling (i.e., recreational vehicles, tents, garages, boats, etc.).

Applicant's Response - The short-term rental will occur in the primary dwelling.

- C. There shall be no more than two (2) adult guests per bedroom, plus no more than two (2) additional guests, except for the following:
1. There shall be a maximum occupancy of ten (10) persons, adults and children.
  2. Bedrooms under one hundred twenty (120) square feet shall be limited to only one (1) adult occupant.

Applicant's Response – The house will be limited to a maximum of 9 guests.

Staff Comments - A rough house plan was submitted with the application and it includes bedroom dimensions. Staff visited the house and confirmed the bedroom dimensions were accurate.

- D. Parking requirements shall be as follows:
1. When the short term rental is located in a portion of the dwelling unit, two (2) parking spaces shall be provided for the residence and a minimum of one (1) parking space shall be provided per guest room or suite.
  2. When the short term rental is located within the entire dwelling unit, a minimum of one (1) parking space shall be provided per guest room or suite.
  3. All parking for a short term rental, whether required by these regulations or in excess of these regulations, shall be provided off-street.

Applicant's Response – All short-term rental parking shall occur on-site (off the street).

Staff Comments – Staff measured the main driveway and carport and found that it was 80.5' long. As a result, it could accommodate 4 vehicles. There is also a driveway on the side of the house that could accommodate another vehicle.

- E. Any advertisement of the property as a short term rental and all rental contracts must contain language that specifies the allowed maximum number of occupants and maximum number of vehicles.

Applicant's Response – The advertisement of the property as a short-term rental will contain language that specifies the maximum number of occupants and vehicles.

- F. The property on which the short term rental is to be located shall not be located closer than one thousand (1,000) feet, measured in a straight line from the nearest property line to the nearest property line of any other approved short term rental. Such permits shall be given on a first come, first serve basis.

Applicant's Response - There are no other legal short term rental properties within 1,000 feet of the subject property. See the attached G.I.S. exhibit.

- G. When located in a residential district, a short term rental shall use the existing, main building entrance for access and the construction of additional exterior ingress/egress doorways shall be prohibited. Access to individual guest rooms or suites shall be from the interior of the structure.

Applicant's Response - Guests will use the main building entrance for access.

- H. It shall be unlawful:

1. To operate, or to allow to be operated, a short-term rental without first obtaining a Permit for the property in which the rental is to occur with the City in accordance with Ordinance Number O-20-20 (Applies to the City of Florence Only).
2. To operate, or to allow to be operated, a short-term rental without first obtaining a Permit for the property in which the rental is to occur with the Boone County Fiscal Court (Applies to Unincorporated Boone County Only).
3. To advertise or offer a short-term rental without first registering the property in which the rental is to occur with the City in accordance with Ordinance Number O-20-20. Documented advertisement of the subject property as a short-term rental, online or offline, shall be considered evidence of a violation of this regulation (Applies to the City of Florence Only).
4. To advertise or offer a short-term rental without first registering the property in which the rental is to occur with the Boone County Fiscal Court. Documented advertisement of the subject property as a short-term rental, online or offline, shall be considered evidence of a violation of this regulation (Applies to Unincorporated Boone County Only).
5. To operate a short-term rental that does not comply with all applicable city, county, and state laws and codes.
6. To operate a short-term rental without paying the required hotel occupancy taxes.
7. To offer or allow the use of a short-term rental in a manner which violates the City Noise Control Ordinance (O-16-95). (Applies to the City of Florence Only)
8. To fail to include a written prohibition against the use of a short-term rental for having a party in every advertisement, listing, or other publication offering the premises for rent.
9. Permit the use of the short-term rental for any illegal purpose or any use not permitted by the residential zoning regulations.

Applicants Response: They will comply with all rules.

- I. Depending on the scope of improvements, a Zoning Permit or Tenant Finish Permit per ARTICLE 30, shall be submitted to and approved by the Planning Commission prior to constructing any improvements and operating a short term rental.

Staff Comment – A Zoning Permit would need to be approved by the Planning Commission before the short-term rental could operate from the premises. This approval would be needed to verify any Conditional Use Permit conditions are being met.

Section 903 of the Boone County Zoning Regulations states the purpose of the Suburban Residential One district is to provide a low density, residential environment whose dwelling types and densities are typical of a suburban character. It is also to provide limited or passive and recreational uses that are appropriate to the permitted uses in the district. Suburban Residential One districts will be located on lands within established urban areas where adequate infrastructure facilities and services are available or proposed.

Article 40 of the Boone County Zoning Regulations defines a short term rental as “the rental of a residential dwelling unit, or a portion thereof, for a period of less than thirty (30) days. This term does not include:

- A. A unit that is used for nonresidential purposes, including an educational, health care, retail, restaurant, banquet space, or event center purpose or another similar use.
- B. A bed and breakfast.
- C. A hotel/residence hotel.”

#### RELATIONSHIP TO THE COMPREHENSIVE PLAN

- A. The Our Boone County Plan 2040 Future Land Use Plan designates the site in question for “Suburban Density Residential” uses. This future land use classification is defined as single family housing of up to four units per acre.
- B. The following Our Boone County Plan 2040 Goals and Objectives apply to this application:

Land uses and zoning decisions shall strive to balance the rights of landowners with the rights of neighbors and the community (Overall Goal A, Objective 4).

Development policies shall not discriminate against any person (Demographics Goal A, Objective 1).

Promote quality of life amenities to retain current residents and attract new residents in order to have a stable and diversified population (Demographics Goal A, Objective 3).

Provide appropriate services, housing, employment, and shopping opportunities in order to meet the needs of the population in all geographic areas of the County (Demographics Goal A, Objective 4).

A broad range of housing opportunities shall be provided to meet the needs and desires of all household types and shall be balanced with affordability, employment centers, commercial areas, and educational needs. The City of Florence acknowledges the need for affordable housing opportunities, but also desires an equal balance of housing options to maintain a diverse city (Demographics Goal B, Objective 1).

Residential developments shall be evaluated for impact on infrastructure, environment, health and safety considerations, buffering, and design with secondary consideration given to the dwelling unit type and density (Demographics Goal B, Objective 4).

SITE CHARACTERISTICS

- A. The 0.27-acre property is located the northeast corner of the Lakeshore Drive/Achates Avenue intersection.
- B. The property contains a one-story house with two distinct basement areas (one finished and one unfinished). Boone County PVA records indicates the house contains 4 bedrooms and 2 bathrooms and the finished floor area is 1,848 square feet. A carport is attached to the house.
- C. The main driveway is approximately 80.5' long and extends underneath a carport. It can accommodate four vehicles. Another one car drive is accessible from Achates Avenue.
- D. Part of the rear yard is enclosed with chain link fence. The rest of the rear yard is wooded with heavily wooded with mature deciduous trees.

SURROUNDING LAND USES AND ZONING

- North: A single-family home fronting on Lakeshore Drive (SR-1)
- South: Achates Avenue and a single-family home fronting on Lakeshore Drive (SR-1)
- East: A single-family home fronting on Yealey Drive (SR-1)
- West: Lakeshore Drive and a single-family home fronting on Lakeshore Drive (SR-1)

STAFF COMMENTS

- A. Conditional Use Permit and Short-Term Rental applications must be approved before the property can be used for short-term rentals. The City of Florence will not act on the Short-Term Rental application until the Florence Board of Adjustment acts on the Conditional Use Permit application.

A copy of City of Florence Ordinance O-20-20 has been attached to the Staff Report. This Ordinance includes the City of Florence short term rental registration and permitting requirements, restrictions on short term rentals, information brochure requirements, safety feature requirements, and zoning enforcement procedures if there are violations.

Section III of the Ordinance lists the City of Florence registration and permitting requirements. Subsection 5 indicates the initial city permit would be valid for 365 calendar days from the time it's issued and can be renewed for successive 365 calendar day periods as long as the applicant continues to qualify for a Permit. Subsections 6 and 7 list reasons why the City of Florence could deny permit renewal, revoke a permit, and the process the property owner could go through to contest a revocation.

B. Staff would like the applicants to address the following:

1. Is the property currently being rented? If so, are these rentals 30 days or more?
2. Where do they live and how frequently would they visit the property if the Conditional Use Permit and City Permit were approved?
3. How would they market the property for rent?
4. How would they monitor that no parties are taking place?
5. Are there any plans to make any additional exterior improvements that would encourage guests to spend more time outdoors? Examples are fire pits, pools, basketball goals, etc.?
6. Could the house be rented for a night or two?

C. The Board needs to analyze the Conditional Use Permit criteria found in the Staff Report and determine if the use is appropriate at the subject location. Staff would like the applicant to address if they would be willing to lower the number of permitted guests. Staff believes that 9 guests would be a lot in an 1,848 square foot house.

Staff believes the following criteria are key in making this determination:

1. (The use) will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and shall not change the essential character of the same area.
2. The activity will not contradict the low-density character of the district.

D. Staff recommends the following conditions if the request is approved:

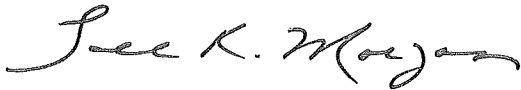

1. Short term renters shall be required to rent the dwelling for a minimum of two nights.
2. One renter or group shall rent the entire household with a single-rental contract.
3. Short-term rentals of the property shall be limited to a maximum of seven (7) guests.
