Subject; Closure of abandon road

Dear sir,

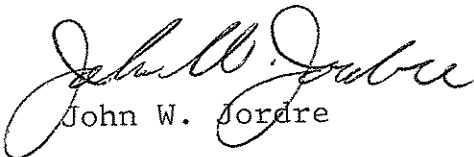

I have spoken to Mr. Pelley, of the road department, about closure of the abandon part of Howe Road, (Weldon Mills), where it passes through my farm. This part of the road is not county maintained and it runs dead end into Gunpoweder Creek. I'm cleaning it up to use to get to my back pasture.

I wish to close the road to keep hunters, dirt bike riders, and other trespassers from entering my property. When the road is closed I can install a gate and hope that it will at least slow them down

I have enclosed a survey map and the description of the section of the road I would like closed. I have also enclosed the signatures of all the surrounding land owners stating that they are in agreement with the closing of this section of Howe Road, (Weldon Mill Road).

Please inform me of the next steps that I must take.

Thank You,

John W. Jordre
